

**REMARKS**

Please enter the above amendment prior to calculation of the filing fee. Claims 20-39 are in the application.

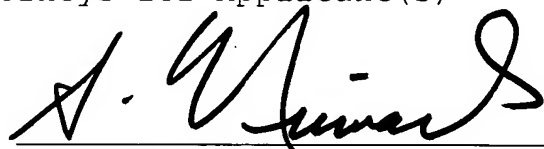

The above amendments are made to eliminate all multi-dependencies in order to reduce the government filing fee. The amendments made above are made entirely without prejudice, the applicants respectively reserving their right to add claims at a later stage commensurate in scope with the claims which may have been eliminated by the removal of all multi-dependencies. Regardless, the amendments made above are not "narrowing" amendments. The scope of the claims has not been reduced; no limitations have been added and none are intended.

Applicants respectfully await the results of a first examination on the merits.

Respectfully submitted,
